## ABOUT THE CONGRESS

The **Eighth Emirati League Against Epilepsy (ELAE) Congress**, endorsed by the **International League Against Epilepsy (ILAE)**, concluded successfully. The congress brought together leading experts, clinicians, and researchers to discuss the latest advancements in epilepsy diagnosis, treatment, surgery, and research, as well as the social aspects of epilepsy care.

Distinguished international speakers shared valuable insights and experiences that enriched the scientific program. The congress also provided an excellent platform for networking, collaboration, and industry engagement, fostering meaningful dialogue between healthcare professionals and partners dedicated to improving the lives of people with epilepsy.

The **Emirati League Against Epilepsy** extends its heartfelt appreciation to all participants, speakers, and sponsors for contributing to the success of this year's congress, making it a truly memorable and impactful event.
